Jeff Kilpatrick has over 20 years of experience as a trusted senior consulting advisor and health system executive for leading healthcare systems nationally. Throughout his career, he has guided health systems to develop strategies, partnerships, grow patient care volume, transform delivery models, increase access, and improve clinician alignment.

Jeff has worked with all size and complexity of health systems, ranging from the nation's leading academic medical centers and largest non-for-profit systems, specialty hospitals and rural hospitals. Prior to joining The Innova Group, Jeff was a Managing Director at Kaufman Hall. In this capacity he focused on strategic planning, service line planning, and innovative partnerships. Prior to Kaufman Hall, Jeff worked with a variety of health systems ranging from Northwestern Medicine, Loyola University Medical Center to Children's Healthcare of Atlanta.
