Healthcare Strategy  
Connecting Experts™

# Committed to Professional Growth

The New England Society for Healthcare Strategy (NESHS) is committed to the professional growth of its members, offering numerous networking and educational opportunities throughout the year. As a longstanding society of more than 35 years, our goal is to enhance the effectiveness of more than **200 members, from across New England and beyond**, in healthcare strategy, marketing, business development, and implementation.

*I joined for networking opportunities and wanted to know what people were talking about. I thought it was a good avenue to connect with other strategists.”*

## Grow your professional network

- Connect with new and seasoned professionals through our Online Membership Directory and through our LinkedIn page.
- Search NESHS's Online Job Bank to find job opportunities.
- Attend virtual and in person group networking events to connect with fellow members including conferences, webinars and other sessions.
- Participate in committees to work with talented professionals and strengthen your network.

## Grow your skills and knowledge

- Spring and Fall conferences cover the latest topics in healthcare strategy, market development and financial issues.
- Small, topic-specific roundtables and deep dive sessions are held virtually and throughout New England.
- Monthly webinars keep members up to date for interacting with industry experts and colleagues.
- NESHS's Virtual Institute provides members with a compendium of research and data, planning and business development.
